

The Treatment and Recovery Clinic (TARC) provides Intensive Outpatient (IOP) Substance Use Disorder Treatment, Recovery Support Services (RSS), Mental Health Services and Life Skills Education to adolescents (ages 11-17), adults, and families.

TARC: Assists clients and their families in developing the necessary insight into the nature of addiction and mental health.

Through the use of groups, individual sessions, and family therapy, clients and their families build skills necessary to live in recovery and resilience.

Recovery Support Services (RSS) includes:
Drug and Alcohol Screening.
Life Skills Education and Guidance,
Transportation and Case Management.

TARC is a State licensed
Behavioral Health Disorder Facility.

TARC accepts State funding,
Medicaid and private pay.
